Brief biographical details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix I to this circular.

GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 8 August 2008, a general mandate was given by the Company to the Directors to exercise the powers of the Company to repurchase Shares. Under the Listing Rules, this general mandate will lapse at the conclusion of the AGM.

An ordinary resolution will be proposed at the AGM to give a general and unconditional mandate to the Directors to exercise the powers of the Company to repurchase at any time until the next annual general meeting of the Company following the passing of the ordinary resolution or such earlier period as stated in the ordinary resolution Shares up to a maximum of 10% of the issued share capital of the Company at the date of the passing of the ordinary resolution (the “Repurchase Mandate”).

An explanatory statement as required under the Listing Rules to provide the requisite information is set out in Appendix II to this circular.

GENERAL MANDATE TO ISSUE SHARES

At the annual general meeting of the Company held on 8 August 2008, a general mandate was given by the Company to the Directors to exercise the powers of the Company to issue Shares. Under the Listing Rules, this general mandate will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to issue during the period up to the next annual general meeting of the Company following the passing of the ordinary resolution or such earlier period as stated in the ordinary resolution Shares representing up to 20% of the issued share capital of the Company at the date of the passing of the resolution (i.e. not exceeding 61,552,504 Shares based on the issued share capital of the Company of 307,762,522 Shares as at the Latest Practicable Date and assuming that such issued share capital remains the same at the date of passing the resolution) (the “Issue Mandate”). In addition, an ordinary resolution will be proposed to authorise extension of the Issue Mandate which would increase the limit of the Issue Mandate by adding to it the number of Shares repurchased under the Repurchase Mandate.

ANNUAL GENERAL MEETING

At the AGM, resolutions will be proposed to the Shareholders in respect of the ordinary business to be considered at the AGM, including the re-election of retiring Directors and the special business of the Company to be considered at the AGM, being the proposed grant of the Repurchase Mandate, the Issue Mandate and the extension of the Issue Mandate. The notice of AGM is set out on pages 12 to 15 of this circular expected to be despatched to Shareholders together with this circular.

LETTER FROM THE CHAIRMAN

A form of proxy for use at the AGM is enclosed with this circular. Whether or not you are able to attend the AGM, you are requested to complete the accompanying form of proxy and return it to the registered office of the Company in accordance with the instructions printed thereon not later than 48 hours before the time fixed for holding the AGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting at the AGM or any adjourned meeting if you so desire.

This appendix serves as an explanatory statement, as required by Rule 10.06(b) of the Listing Rules, to provide requisite information to shareholders for their consideration of the Repurchase Mandate and also constitutes the memorandum as required under Section 49BA(3) of the Companies Ordinance.

1. LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange or on any other stock exchange on which the shares of the companies may be listed and recognised by the Securities and Futures Commission and the Stock Exchange for this purpose subject to certain restrictions, the most important of which are summarized below:

- (a) The shares proposed to be purchased by the company are fully-paid up.
- (b) The company has previously sent to its shareholders an explanatory statement complying with the Listing Rules.
- (c) The shareholders of the company have given a specific approval or a general mandate to the directors of the company to make such purchase, by way of an ordinary resolution which complies with the Listing Rules and which has been passed at a general meeting of the company duly convened and held and the company has delivered a copy of such resolution, together with the necessary supporting documentation, to the Stock Exchange in accordance with the Listing Rules.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 307,762,522 Shares, all of which are fully paid up.

Subject to the passing of the proposed ordinary resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 30,776,252 Shares which are fully paid up, representing 10% of the issued share capital of the Company as at the Latest Practicable Date and date of the passing of the proposed ordinary resolution.

3. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and its shareholders to have a general authority from shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

4. FUNDING OF REPURCHASES

It is proposed that repurchases of Shares under the Repurchase Mandate in these circumstances would be financed from available cash flow or working capital facilities of the Company and its subsidiaries.

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from the distributable profits of the company or from the proceeds of a new issue of shares made for the purpose. The Companies Ordinance further provides that the amount of premium payable on repurchase may only be paid out of the distributable profits of the company. Where the repurchased shares were issued at a premium, any premium payable on repurchase may be paid out of the proceeds of a fresh issue of shares made for the purposes of the share repurchase up to certain limits specified by the Companies Ordinance.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 March 2009) in the event that the proposed repurchases of Shares were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Highest Price HK\$	Lowest Price HK\$
2008		
July	_*	_*
August	_*	_*
September	3.800	3.750
October	3.500	3.300
November	3.300	3.000
December	3.000	2.800
2009		
January	_*	_*
February	3.000	2.800
March	_*	_*
April	2.800	2.800
May	3.000	3.000
June	3.000	3.000

* *There was no trading of shares during the month.*

6. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the proposed ordinary resolution in accordance with the Listing Rules and the applicable laws of Hong Kong.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if such Repurchase Mandate is approved by the Shareholders.

No other connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

If as a result of a share repurchase, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert, depending on the level of increase of the shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Chan Hoi Sow and Mr. Chan Yan Tin, Andrew together with their respective associates (as defined in the Listing Rules) (the "said Persons") were beneficially interested in 173,708,896 Shares, representing approximately 56.44% of the issued share capital of the Company. In the event that the Directors exercised the Repurchase Mandate in full, then (if the present shareholdings otherwise remained the same) the collective shareholdings of the said Persons in the Company would be increased to approximately 62.71% of the issued share capital of the Company and the said Persons would not be required to make a mandatory offer under Rules 26 and 32 of the Takeovers Code by reason of such increase. The Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any purchases made under the Repurchase Mandate. The Directors have no present intention to exercise the Repurchase Mandate to the extent that the number of Shares held by the public would be reduced to less than 25% of the issued share capital of the Company.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.

8. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of providing information with regard to the Company.

The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts not contained in this circular the omission of which would make any statement contained herein misleading.
